STUDENT PROFILE

Fall Semester 2007

P R E F A C E

This profile is based on enrollment at the end of the second week of fall semester classes, 2007, and is intended as a quick reference for information about the student body at UNI. It has been compiled for wide distribution across campus to assist faculty and staff members who need current data in order to perform their job responsibilities, and to provide a consistent set of readily available data to address the myriad of requests for information from sources internal and external to the university.

The data reported here were compiled by a dedicated cadre of UNI staff members who labor relentlessly to provide the information we all need to make sound educational decisions for UNI. They represent the following departments:

Office of the Registrar

Philip Patton, University Registrar
Patti Rust, Senior Associate Registrar
Diane Wallace, Coordinator of Student Statistics and University Catalog

Office of Admissions

Philip Patton, Interim Director of Admissions
Sam Barr, Information Technology Coordinator, Educational Student Services
Michael Holmes, Information Technology Specialist

Department of Residence

Michael Hager, Director
Gary Daters, Business Manager

Academic Advising/Examination Services

Reginald Green, Director

Topics are selected for inclusion in the profile based on the relevance of data to institutional decision-making and the volume of data requests received at the various offices that contribute to the profile. Questions concerning information contained in this report should be directed to the Office of Institutional Research or to the specific department as noted in the report.
